

City as Curriculum

At Home and Abroad

Beloit College
Kalamazoo College

This was a wonderful educational opportunity.

Much of my learning was done outside the classroom.

I found it very difficult to concentrate on my studies.

I would recommend this program to anyone.

Senegal

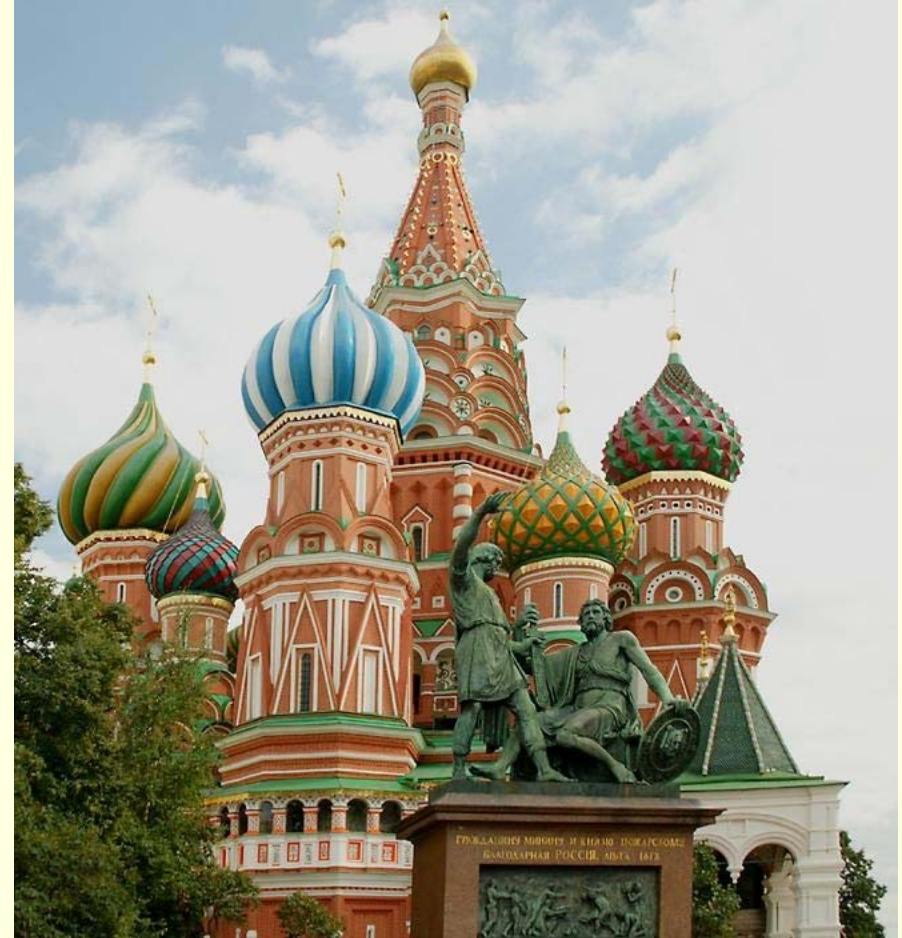

Study abroad is life-changing.

There was very little academic work.

I gained many new perspectives on my fields of study.

Study abroad has enriched my liberal arts education.

Japan

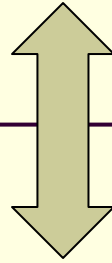

How does study abroad work?

Through:
