

Your Turn: Planning for Student Scholar Development

1. What is the mission statement or guiding principles of your institution?
2. Are there college, departmental, or programmatic statements that are relevant?
3. List the defining attributes of your institution:
4. Considering the above, describe your institution's vision of an "undergraduate student scholar".
5. What are you doing currently to help create this ideal?
6. What is missing?

Your Turn: Planning for Student Scholar Development

Now, use the attached template to sketch out key courses, experiences, approaches that will help your students become scholars....
