

## The Educated Citizen and Public Health

### Reports, Policy Statements, Guides, and Curricular Materials

- Healthy People 2020 has proposed objectives for 2-year and 4-year colleges to increase the proportion offering public health course work as part of core curricula. See Education and Community-based Program and Public Health Infrastructure Topic areas available at <http://www.healthypeople.gov/hp2020/Objectives/TopicAreas.aspx>
- American Public Health Association: Integration of Core Public Health Education into Undergraduate Curricula Policy Statement 200915 available at <http://www.apha.org/advocacy/policy/>
- The Association for Prevention Teaching and Research, Prevention Education Resource Center (PERC) provides syllabi, curriculum materials, and other curriculum resources at [www.teachprevention.org](http://www.teachprevention.org)
- The Association of Schools of Public Health provides information on undergraduate majors and minors and curricular materials at [www.pathwaystopublichealth.org](http://www.pathwaystopublichealth.org) and [www.thispublichealth.org](http://www.thispublichealth.org).
- Curriculum Guide to Undergraduate Public Health Education, version 3.0, is available at [http://www.aptrweb.org/resources/pdfs/Curriculum\\_Guide\\_Version3.pdf](http://www.aptrweb.org/resources/pdfs/Curriculum_Guide_Version3.pdf) and [http://www.aacu.org/public\\_health/index.cfm](http://www.aacu.org/public_health/index.cfm)
- *Recommendations for Undergraduate Public Health Education* (APTR and AAC&U 2008) is available at <http://www.aptrweb.org/resources/pdfs/Recommendations.pdf> and [http://www.aacu.org/public\\_health/index.cfm](http://www.aacu.org/public_health/index.cfm)
- *Morbidity and Mortality Weekly Report*. CDC publication of “essential findings” of the Consensus Conference on Undergraduate Public Health Education, October 19, 2007. The full consensus conference report is available at [www.ccas.net](http://www.ccas.net) under publications.

### **Educated Citizen and Public Health Listserv**

The Educated Citizen and Public Health electronic mailing list is hosted by the Association of American Colleges & Universities. The listserv is designed to promote communication among faculty and administrators who are active in the emerging interdisciplinary field of public health study for undergraduates.

**To sign up for the Educated Citizen and Public Health listserv go to**
