Project Full Circle
-Humans in Action-
Educational Workshop

Offering real life experiences of successful inclusion in the workplace, and visit talented individuals who are of the LGBTQ+ community to showcase their work in order to inspire young individuals to reach further and be open minded when seeking jobs in the future.

Letter to Representatives
Using Your Voice to Impact Change

The Letters to Representatives campaign will inform our peers about gun violence in our community and the U.S., teach them how to write letters to and interact with their representatives, and encourage them to use their voice to make a difference.
